

Principals' Academy

Thursday, June 17, 2010
8:30 a.m. – 3:45 p.m.
School Study Council of Ohio Offices
936 Eastwind Drive, Suite 100
Westerville, OH 43081

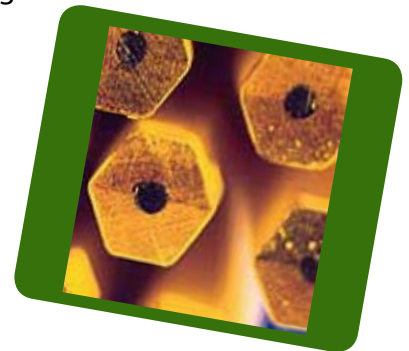

This one day Principals' Academy will allow participants to select four sessions from a menu of 12 topics that are designed for elementary or secondary building administrators. (Please note: some sessions are appropriate for both.)

Principals may earn 1 semester hour credit from either Ashland University or the University of Dayton at the workshop rate of \$172.00. Those who are selecting university credit are required to submit a personal or professional development plan for implementation during the 2010–2011 school year.

Sample topics:

- *Eliminating the Achievement Gap while Utilizing Formative Assessment*
- *Leadership Tools: Strategies for Improved Building Leadership*
- *Literacy Strategies: Improved Student Achievement*
- *What's next for Ohio's Academic Content Standards?*
- *21st Century Learning: Using the MILE Guide to Assess School Progress*
- *How to ensure that students are college/career ready*
- *Middle School Education — Ensuring Students Possess Skills for Success*
- *Changes in the Ways we assess our students — The Administrator's Role*
- *Improving Student Achievement in Mathematics*
- *Technology as a Tool to Facilitate Learning*
- *Response to Intervention*

Costs: \$100.00 (SSCO members)
\$135.00 (Non—members)
(Includes morning beverage, lunch
and afternoon snack)
